The big bell in the Baptist church steeple rang 41, then 21, winding up with a miscellaneous assortment of box numbers. The registering apparatus at headquarters indicated box 3. The wagon went to boxes 41 and 34, but could find nothing, and it is presumed the alarm was caused by electrical disturbance in the atmosphere.

—Miss Blanche Shaw, of Vincent, was the guest of relatives in the city Friday.

—A Leader man visited the bicycle store of the Big Four Cycle Co. last evening and saw two wheels that are truly a revelation in the possibilities of fine wheel production. The bikes referred to are two "Vikings" just in, and sold to Mr. and Mrs. E. J. Lobdell, this city. The wheels are superlative, and are up-to-date in every point; fitted with pneumatic saddle, "Vim" tires and the unique Lobdell hickory handlebar, adjustable. The wheels are enameled in Brewster green and are tastefully decorated by hand. They are indeed sumptuous and fit for Royalty itself. Not only were these two fine wheels in evidence, but the concern has on its display floor such high-class wheels as the Stearns, Eclipse, Patee, Liberty and the world-beater, The Stormer, which sells for \$45. The quick sales of the Big Four do not permit a wheel to become shop-worn—the only wheels that are worn in the least are those which riders of good judgment have left in their crowded but well ordered repair shop, to be adjusted or possibly re-enameled in their Bed Cross overs, the finest in the city.

The Discovery Saved His Life.  
Mr. G. Calouette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We want keep store or house without it." Get a free trial at W. H. Styler's Drug Store.

The skeleton in many a household is the peculiar weakness of the wife and mother, or of the wife who ought to be a mother and is not. Happiness is destroyed by the presence of the secret sickness that may lurk like a grinning death among the most luxurious homes. The most terrible thing about this condition of affairs is that it is entirely needless. There is no reason in the world why every woman in the world should not be strong and healthy and capable of fulfilling her whole duty as a wife and mother. Many women go on month after month, and year after year, becoming weaker and weaker, because of a very natural hesitancy they feel in consulting a physician. They know that if they go to a doctor for treatment, the first thing he will insist on will be "examination" and "local treatment." This must of course be distasteful to every modest woman. They are generally as unaccustomed as they are abhorrent. Dr. Pierce's Favorite Prescription cures positively, perfectly, permanently, all varieties of "female weakness" and disease. It is designed to do this one thing, and it does it. It is the only medicine now before the public for woman's peculiar ailments, adapted to her delicate organization by a regularly graduated physician—an experienced and skilled specialist in these maladies. It cannot do harm in any condition of the system. Its sales exceed the combined sales of all other medicines for women.

Every woman will be healthier and happier for following the friendly, practical counsel contained in Dr. Pierce's great universal doctor book: "The People's Common Sense Medical Adviser." It is the most comprehensive medical work in one volume in the English language. It contains 1000 pages, fully illustrated. 650,000 copies have been sold at \$1.50 each bound in cloth. The profits are now used in printing half-a-million free copies bound in strong manilla paper covers. To get one you have only to send a cent stamp (to pay cost of mailing only) to World's Dispensary Medical Association, No. 663 Main Street, Buffalo, N. Y. Send promptly before all are given away if in want of one. They are going off rapidly.
